Floral

# Floral

---

Floral was designed three years after Coral light, based on geometric polyhedra forms. Floral was designed to offer a softer more decorative offering alongside Coral which is more structured.

Floral is available in various sizes to suit any space. The plywood finish can be either raw bamboo or painted, offering a range of options.

# Features

## Shipped Kitset

Seed System kitset lightshades are on average 1/30th of the volume of the assembled light. This aims to help minimize the effects of shipping and to reduce the design's environmental footprint.

## Warranty

This light is warranted for three years from date of purchase for failure of parts.

## Care Instructions

All lights are intended for use in dry interior conditions only and can be cleaned with a soft cloth dampened slightly in warm water when the light is switched off. Do not use detergents.

## EPD Certified

An EPD is a standardised and verified way of quantifying the environmental impacts of a product, based on a consistent set of rules that have been developed through a stakeholder consultation process.

# Finishes

---

We offer 12 stock finish options for Floral. We use low VOC acrylic paint and it is most commonly used on the interior of the light. We can also produce lights in other finishes or colours by special order. All lights are made from sustainably grown bamboo plywood sourced from an FSC accredited factory.
