

Nīkau

Nīkau

The form of this light is based on the bulb and intersecting leaf forms of a Nīkau palm tree. Nīkau is the only indigenous palm tree in New Zealand, named apparently because unlike the coconut palm familiar to Polynesians which has coconuts, thus Nīkau is a slender clean looking palm tree. The fronds from the palm were traditionally used for thatching and weaving.

Nīkau is available in one size. The plywood finish can be either raw bamboo or painted, offering a range of options.

Features

Shipped Kitset

Seed System kitset lightshades are on average 1/30th of the volume of the assembled light. This aims to help minimize the effects of shipping and to reduce the design's environmental footprint.

Warranty

This light is warranted for three years from date of purchase for failure of parts.

Care Instructions

All lights are intended for use in dry interior conditions only and can be cleaned with a soft cloth dampened slightly in warm water when the light is switched off. Do not use detergents.

EPD Certified

An EPD is a standardised and verified way of quantifying the environmental impacts of a product, based on a consistent set of rules that have been developed through a stakeholder consultation process.

Compliance

CE

AS/NZS

(Declarations of conformity available on request).

Packaging

*Black comes with black cordset and fasteners. All others come with white cordset and white fasteners. Custom lengths available on request.

Finishes

We offer 12 stock finish options for **Nikau**. We use low VOC acrylic paint and it is most commonly used on the interior of the light. We can also produce lights in other finishes or colours by special order. All lights are made from sustainably grown bamboo plywood sourced from an FSC accredited factory.
